

What is California CLASS?

California Cooperative Liquid Assets Securities System (California CLASS) is a joint exercise of powers entity authorized under Section 6509.7, California Government Code. California CLASS is a pooled investment option that was created via a joint exercise of powers agreement by and among California public agencies. California CLASS offers public agencies a convenient method for investing in highly liquid, investment-grade securities carefully selected with the goal of optimizing yields while prioritizing safety and liquidity. The California CLASS Prime and Enhanced Cash funds help assist public agencies in strengthening and diversifying their cash management programs in accordance with the safety, liquidity, and yield hierarchy that provides the framework for the investment of public funds.

How is it governed and managed?

California CLASS is overseen and governed by a Board of Trustees. The Board is made up of public agency finance professionals who participate in California CLASS and are members of the Joint Powers Authority (JPA). The Board of Trustees has entered into an Investment Advisor and Administrator Agreement with Public Trust Advisors, LLC. Public Trust is responsible to the Board for all program investment and administrative activities as well as many of the services provided on behalf of the Participants.

How can we participate?

Enrolling in California CLASS is simple. Public agencies may become Participants simply by filling out the Participant Registration Form that can be found in the document center on the California CLASS website. Public agencies may submit the completed registration packet to California CLASS Client Services for processing at clientservices@californiaclass.com.
